SUMMARY

Full-Stack Developer with **5+ years** building scalable web applications, robust APIs, and high-performance digital products. Shipped 30+ production apps across SaaS, fintech, and real-time collaboration. Passionate about architecture that survives scale and UI that feels fast and considered. Open to full-time roles & select freelance contracts.

EXPERIENCE

Senior Full-Stack Developer · Stackline Labs

2023 – Present

Remote

Lead full-stack engineering for a multi-tenant SaaS platform serving 1,200+ businesses.

- Cut **P95 API latency** from 640ms → 120ms via query optimization & edge caching.
- Shipped **CRDT-based real-time collaboration** used by 500+ concurrent users/doc.
- Mentored 3 junior engineers; established TypeScript & testing standards.

Full-Stack Developer · Northwave Digital

2021 – 2023

Pune, India

Built client products end-to-end across fintech, healthcare, and SaaS verticals.

- Delivered **12+ production web apps** with 99.9% uptime.
- Integrated Stripe & Razorpay, processing **\$2M+ in transactions**.
- Reduced bundle size 38%; lifted Lighthouse scores to **95+**.

Frontend Developer (Freelance) · Independent

2020 – 2021

Remote

Partnered with founders and agencies to ship marketing sites, dashboards, and MVPs.

- Shipped **20+ landing pages & MVPs** with sub-1s load times.
- Built reusable component libraries adopted across 5 client projects.
- Maintained a **100% on-time delivery** record across 18 contracts.

EDUCATION

B.E. in Computer Engineering · Savitribai Phule Pune University

2017 – 2021

Pune, India · CGPA: 8.7 / 10 · Graduated with distinction

- Final-year project: distributed task queue with fault tolerance.
- Led the college coding club & organized 3 hackathons.

FEATURED PROJECTS

Nimbus — SaaS Analytics

Real-time event pipeline, 4.2M events/day, P95 120ms, -43% infra cost.

Orbit — AI Knowledge Base

RAG pipeline with citations; cut resolution time by 60%, 94% accuracy.

Ledger — Multi-tenant Finance

RLS policies, audit trails, 1,200+ tenants, passed 3rd-party pen-test.
